Re: Recommendation for Brianne Dobson

To Whom It May Concern,

I was initially impressed with Brianne Dobson's enthusiasm, communication skills and professional demeanor when interacting with her during a set of instruction observations at Terra Linda Elementary. Throughout her observations of my classroom and instruction of a mini-lesson, she consistently demonstrated a calm and personable demeanor towards the students and other faculty members, making her a perfect candidate for an instruction position in your school district.

Brianne is reliable, dedicated and eternally upbeat. Her ability to calm angry or frustrated students is unparalleled, and it is because of her excellence in this area that I highly recommend her to your school district. Brianne multitasks effectively and is able to handle a high-volume workload. She consistently met or surpassed teaching expectations for a first-time instructor, and her daily lesson reflections and alterations were effective and valuable.

Brianne will be of particular value to your schools because of her team player mind-set, enthusiastic embrace of change, ability to work with minimal supervision and unwavering commitment to exceeding her superior's expectations. I have no doubt that Brianne is a hardworking, dedicated teaching candidate that will forge a full career in education. She has my highest recommendation.

Sincerely,

Cher Sten
